22nd Concession Round

Today the Authorities announced the proposed awards in the 22. Concession Round. 36 companies had applied and 29 companies got awards.

Unfortunately, Concedo is not on the list of companies getting awards this time.

All the areas we applied for have been awarded, and we assume that the competition has been tough.

More information can be obtained from Geir Lunde, Managing Director of Concedo AS, Telephone: +47-913 46 553, E-mail : geir.lunde@concedo.no
